ROBBI SUE'S MR ALERT

1987, Buckskin, 15.3 hands
(Glamorgan Vista x Robbi-Sue Misalert)

Alert, who was featured on the cover of the November 2006 *The Morgan Horse*, is a legendary sire of size, bone, balance, athletic talent and gorgeous dispositions. His lovely head and color are merely icing on the cake. Alert foals are cherished by their owners. If you are looking to breed a companion for life or a foal that is a plain good investment, Alert is the stallion to seriously consider for your best mare. Alert settled 90 percent of his 2007 mare book in one heat cycle. Good frozen semen is also available through the experts at equine-reproduction.com. Breed your mares to Alert - he'll make you a believer.
