

MORGAN DRESSAGE ASSOCIATION
2008 BENEFIT STALLION SERVICE SALE

SHANGHAI

2001 Dark Bay 15.1 hands
(Forevermore x CT Ginger Lee)

SHANGHAI is the product of a lifetime of Morgan admiration, study and determination. A product of the beauty and type of Beamington, combined with the staying power and show horse ways of Fleetwing, Shanghai offers mare owners a solid outcross for their Nocturne/In Command linebred mares. Passing on the great shoulder of Forevermore, his foals are smooth bodied, short backed, typey and correct, and are wearing a very curvy, natural neck set and poll flex that is written in the breed standard, but seldom seen today.

Siring great athletic ability and genuine Morgan type, Shanghai's get are deep bodied, extremely up-headed and have wonderful underpinnings. Most remarkable is the extraordinary consistency of his foals, a trait not easy to come by and highly valued by astute breeders. Just 7 years old, he has already begun to turn heads as the sire of Open and Futurity In Hand Champions Winden Reign, Winden Bali Hai, Winden Mai Tai, Winden Dynasty and Benediction from his first three foal crops. Visit our website for a complete gallery of Shanghai and his get, or call or write for a full length DVD. There is a new generation of breeders on the rise that want genuine Morgan type and character, with the athletic ability to compete. Will you join us?
