STATESMANS SIGNATURE

1997, Bay 15.3 hands
(Chief of State x Coal Creek Spicyglow)

Statesmans Signature's pedigree is a classic mix of old Government, early New England and Brunk blood, culminating in a magnificent horse of the classic Morgan type. "Sigi's" sire is Chief of State; his dam is Coal Creek Spicyglow. Of special note are his grandsires, The Statesman on his sire side; and Wyoming Flyhawk on his dam line. Both sires have been major contributors to the Morgan Sport Horse type. "Sigi" is showing Training Level with his amateur owner in 2007, and earned Training Level Champion at Mid-A Morgan 2007; and placed First or Second in every Training Level test at Open shows at HITS Saugerties; Windy Hollow (2x); Orange County Dressage Days and more throughout this showing season. With more than 34 live foals on the ground, Statesmans Signature is proving himself to be one of the finest representations of the Morgan breed available today.
