

MDA Extensions

May, 2012

Dear Morgan Dressage Association Members:

- **MDA Membership Directory is now online!** The Morgan Dressage Association [membership directory](#) is now an online feature of our website, with members listed by state. Be sure to check it out!
- **New Online Advertising Option for Your Farm and Business.** In addition to the regular \$15 "Business" listing (your name, farm name/information and text link to your website in the Directory of Services) the MDA is now offering an additional advertising option that features your Business card (in color with a website link) with your membership directory listing. This also includes a once-a-year feature advertisement in either the newsletter or Extensions (see below for our first customers!). All for only **\$25** in addition to your regular membership dues! Please [contact the MDA](#) for more details and to get your listing upgraded.
- **Remember...the MDA Classifieds** are free to members, and are both on the website and in the newsletter. So why not take advantage of a great membership perk? The classifieds are not limited to "Horses for Sale"--tack, services, "horses wanted" are all accepted. More information and updated listings see the [MDA Classifieds page](#).
- **The MEMBERSHIP YEAR is January 1st to December 31st--not from renewal date!** Please visit the [MDA Membership page](#) for the current dues rates.

WE WANT TO KNOW MORE ABOUT YOU! Actually, we want to make sure EVERYONE knows more about you! Each newsletter features two members and their horses in the "Member Spotlight" and we are looking for more stories to tell. You do not have to show or be schooling Grand Prix...it is about letting the other members know about you and your special Morgan dressage partner. Each feature includes a picture. So, be sure to send your info today!
